EDUCATION AND TRAINING

Residency in Family Medicine, Sutter Santa Rosa Family Medicine Residency — 2023–2026

M.D. Stanford School of Medicine — 2018–2023

Post-Baccalaureate, UC Berkeley Extension — 2014–2017

B.S. in Forensic Science (Hons), University of Central Lancashire, UK — 2003–2006

- Honors Thesis: “The use of the auricular surface of the ilium in estimating adult age at death.”

LICENSES AND CERTIFICATIONS

Physician and Surgeon, Medical Board of California — Exp. Apr 2027

DEA Registration — Exp. Jun 2029

Board Eligible, American Board of Family Medicine (ABFM)

- Residency completed July 2026; initial certification examination planned 2027

BLS Provider, American Heart Association — Exp. Sep 2028

ACLS Provider, American Heart Association — Exp. Jun 2027

NRP Advanced Provider, American Academy of Pediatrics — Exp. Jun 2027

PROFESSIONAL EXPERIENCE

Research

Research Assistant, Quertermous Lab, Stanford School of Medicine — Sep 2018–Dec 2018

- Second author on project examining influence of genome architecture on coronary artery disease

Research Professional, Fraser Lab, Stanford University Department of Biology — Jan 2012–Jul 2018

- Programmer for the lab, supporting multiple projects and doing own research
- Taught programming skills to incoming graduate students, undergraduates, and high school interns
- Built, maintained, and managed a large research server cluster for the lab

Research Assistant, Manning Lab, Salk Institute for Biological Studies — May 2008–Dec 2011

- Used tyrosine kinases as a system to explore the evolution of early metazoans and teleost fish
- Worked on several genome projects creating improved kinase gene models by using conserved splice sites

Instruction

Head Teaching Assistant, Basic Life Support, Stanford School of Medicine — Apr 2019–Jun 2023

Teaching Assistant, Student Community Outreach and Physician Support, Stanford School of Medicine — Apr 2020–Jun 2020

- TA and co-founder of a course dedicated to pairing students with clinicians for the purpose of patient outreach and emotional support during the COVID-19 pandemic

Teaching Assistant, Walk with Me, Stanford School of Medicine — Jul 2019–Jun 2020

- TA for a year-long course that pairs medical students with patient partners to facilitate patient-centered medical education

Teaching Assistant, Wilderness Leadership and Mentorship Skills, Stanford School of Medicine — Apr 2019–Jun 2019

- Taught medical students wilderness skills to enable them to lead groups in remote locations

Teaching Assistant, Wilderness Medicine, Stanford School of Medicine — Feb 2016–Jun 2016

- TA for an advanced wilderness medicine elective for medical students

Instructor, Wilderness First Aid (WFA), Stanford University Department of Outdoor Education — Feb 2014–Jan 2016

- Led a number of 16-hour weekend WFA courses, both alone and with a partner

Last update: October 2026

Entrepreneurial

Owner, Wee Free Medicine — Jun 2022–Dec 2024

- Founded this organization to provide free street medical services
- Additionally taught wilderness medicine, AHA CPR, and first aid
- Now closed to focus on family medicine

President, Bay Area Precordial CPR Instructors, LLC — May 2019–May 2022

- Founded the LLC; hired three other medical students to teach CPR and first aid in the Bay Area

PROFESSIONAL AND VOLUNTEER SERVICE

Leadership

Founding Member, Student Community Outreach Pandemic Service (S-COrPS) — Mar 2020–Jun 2023

- Organization to enable medical students to provide support to vulnerable patients during the COVID-19 pandemic

Lead Medical Student Ambassador, Society for Academic Emergency Medicine Annual Meeting — May 2020

- Assisted with the organization of the annual meeting
- The meeting was cancelled due to COVID-19; the in-person portion was not completed

Super Leader, Stanford Wilderness Education Active Orientation Trip (SWEAT) — Jan 2019–Sep 2019

- Organized a four-day orientation camping and backpacking trip for 74 first-year medical students

Medical Student Ambassador, Society for Academic Emergency Medicine Annual Meeting — May 2019

- Assisted program committee with execution of annual conference

Training Officer, Stanford Emergency Medical Services (StEMS) — Jun 2018–Jun 2019

- Taught EMTs clinical skills and organized training sessions taught by other crew chiefs

County Liaison, Stanford Emergency Medical Services (StEMS) — Jun 2017–Jun 2018

- Finalized negotiations with the county medical authority, allowing StEMS to maintain its status as a medical services provider

President, Stanford Emergency Medical Services (StEMS) — Jun 2016–Jun 2017

- Overhauled organizational policies, procedures and bylaws to improve accountability and competency
- Worked with the county emergency medical authority to create new policies to enable formal recognition of StEMS as an emergency services provider
- Worked with university officials to expand the reach of StEMS

Crew Chief, Stanford Emergency Medical Services (StEMS) — Mar 2016–Jun 2023

- Ran medical command of several large events, including events of 50,000+ attendees
- Operated as the sole medical dispatcher for an annual event of 7,500 attendees
- Provided hands-on care as the first responder on scene for patients

Web Team Leader, Student Clinical Opportunities for Premedical Leadership (SCOPE) — Mar 2015–Jan 2018

- Completely rebuilt and replaced the organization’s suite of aging websites

Volunteering

Volunteer, Health Career Collaborative — Sep 2019–Dec 2019

- Mentored high school students at East Palo Alto Academy interested in healthcare careers

Preclinical Volunteer, Arbor Free Clinic — Oct 2018–Jun 2021

- Volunteered as a phlebotomist and as a preclinic student taking H&P prior to resident evaluation

Emergency Medical Technician, Stanford Emergency Medical Services (StEMS) — May 2014–Jun 2023

- Provided EMS services on the Stanford campus and at large events

Search and Rescue Volunteer, Bay Area Mountain Rescue Unit (BAMRU) — May 2013–Jun 2023

- Wilderness EMT, tracker, and type-1 (all terrain) ground searcher
- Taught the annual human tracking training and assisted with annual medical skills training

Emergency Dept. Volunteer, Student Clinical Opportunities for Premedical Leadership (SCOPE) — May 2013–Jun 2017

- Shadowed and assisted emergency physicians while deciding on a specialty

GRANTS

Medical Scholars Research Grant — May 2019

- Title: “A Potential Solution to the Burden of Increasing Residency Applications”
- Value: $13,200

XSEDE Startup Allocation MCB130238 — Oct 2013

- Title: “Inferring the genetics of mitochondrial DNA abundance from a Meta-Analysis of GWA studies”
- Value: $48,989

HONORS AND AWARDS

CTSS (Clinical Teaching Seminar Series) Honors Scholar	2023
Stanford Community Impact Award	2021
Society of Teachers of Family Medicine Foundation Student Scholarship	2020
Biochemical Journal Young Scientist Award	2010

PROFESSIONAL MEMBERSHIPS

American Academy of Family Physicians	2019–Present
Wilderness Medical Society	2015–Present

COMPUTER PROGRAMMING

Python, shell scripting, and Linux/HPC cluster administration; genomic data analysis pipelines. Code available at https://github.com/MikeDacre

SCHOLARLY INTERESTS

Mental health in primary care, addiction, chronic pain, integrative medicine, family medicine office procedures

HOBBIES

Backpacking, cycling, hiking, wilderness medicine, beach days with my family
